Financial analysts, investors, media and other interested individuals are invited to listen to the conference and view a presentation which will be broadcasted live and on a deferred basis on Boralex's website at [www.boralex.com](http://www.boralex.com). A full replay will also be available on Boralex's website until December 29, 2023.

You can consult the press release issued this morning about this announcement on [Boralex's website](#).

## About Boralex

At Boralex, we have been providing affordable renewable energy accessible to everyone for over 30 years. As a leader in the Canadian market and France's largest independent producer of onshore wind power, we also have facilities in the United States and development projects in the United Kingdom. Over the past five years, our installed capacity has more than doubled to 3 GW. We are developing a portfolio of close to 4 GW in wind and solar projects and close to 800 MW in storage projects, guided by our values and our corporate social responsibility (CSR) approach. Through profitable and sustainable growth, Boralex is actively participating in the fight against global warming. Thanks to our fearlessness, our discipline, our expertise and our diversity, we continue to be an industry leader. Boralex's shares are listed on the Toronto Stock Exchange under the ticker symbol BLX.
