About Boralex

Boralex is a power producer whose core business involves developing and operating renewable energy power stations with a total installed capacity of 700 MW in Canada, the Northeastern United States and France. Boralex is also committed under power development projects, both independently and with European and Canadian partners, to add approximately 400 MW of power. With nearly 350 employees, Boralex is known for its diversified expertise and in-depth experience in three power generation segments — wind, hydroelectric and thermal — and will add a fourth segment to its energy portfolio with the upcoming commissioning of its first solar power station. Boralex’s shares and convertible debentures are listed on the Toronto Stock Exchange under the ticker symbols BLX and BLX.DB, respectively. More information is available at www.boralex.com or www.sedar.com.
